## SENATOR W. V. ALLEN

Introduces Resolutions to Recognize Cuban Independence.—Currency Plan—Will Meet Opposition.

Other Washington News of Interest.—The President's Mother Still Holding on to Life.—Big Chicago Failure.

Washington, Dec. 8.—Senator Allen this morning introduced a resolution to the effect that the independence of Cuba be recognized.

Senator McLaughlin, of South Carolina, is very ill of typhoid fever and his friends are very anxious about him.

It is evident that the President's plan of currency reform by retiring the greenbacks will meet serious opposition in committee. All are agreed that some currency legislation is necessary, but it is going to be hard work to frame a bill that will pass both houses.

It was hoped that the Kentucky postmasters would be all agreed upon this week. But nothing can be done in that line until the President returns from Canton.

The Hunter faction here are indignant over the fact that Gov. Bradley, in naming the committee to be present at christening the battleship Kentucky, confined his choice, as far as Republicans, to those who bolted Bradley's nomination. Of the Democrats who are appointed the free silver element predominate. Serious comment is made that neither Senator is named on the committee, nor a single member of the delegation in the House.

### LAID TO REST.

Remains of Mrs. P. W. Hardin Interred at Frankfort.

Frankfort, Ky., Dec. 8.—The funeral of Mrs. Caroline S. Hardin, wife of Gen. P. W. Hardin, took place at the Christian church, Frankfort, yesterday, the Rev. George Dargie conducting the services. The pall-bearers were Gen. Fayette Hewitt, D. C. Crutcher, B. M. McHenry, Will Grayson, S. B. Holmes and W. F. Dandridge.

A large number of sorrowing friends attended. The Rev. George Dargie paid a touching tribute to the beautiful life and Christian character of the deceased. The floral designs were very beautiful, and were in great numbers. The remains were interred at noon.

### WHEELER TO THE FRONT.

Our Charlie Jumps All Over Civil Service Reform.

Washington, Dec. 8.—A special to the Louisville Post says: During the discussion of the civil service law Representative Wheeler, of Paducah, made his maiden speech, and attacked the law most bitterly, declaring that it was in favor of wiping the whole law off the book. He said the commission had not named an engineer in its list for "incompetency." When an inquiry was made as to the charge, it was found that the man was under three years old, and had run an engine for eighty years, and yet he was declared incompetent.

### STILL ALIVE.

The President's Mother Remains About the Same.

Canton, O., Dec. 8.—The condition of the President's mother shows but little change. It is not believed that there is any hope at all of recovery. The President is still here.

### Perished in the Flames.

Owosso, Mich., Dec. 8.—The big cabinet works located here burned today and a workman lost his life, by being caught by the falling debris.

### Big Assignment.

Chicago, Ill., Dec. 8.—Horton, Gilmore & Co., wholesale hardware dealers, assigned today.

### Buried at McKandrick.

The remains of the late Mr. John Halley, of Lexington, were buried at McKandrick yesterday, a large crowd attending the funeral. Undertaker Nance went down from the city to direct the burial.

### Died of Malaria.

Anna Allison, aged 17, colored, died of malaria at her home on Trimble street yesterday. The remains were interred today.

### LOUISVILLE LEGION

And Other State Companies May Attend the Dedication of the "Kentucky."

The Louisville Post says: It was learned this afternoon on very good authority that there is a project on foot to have the Louisville Legion and several companies from the State Guard from the state accompany Gov. Bradley as an escort to Newport News, where the battleship

"Kentucky" is to be dedicated in January.

Governor Bradley now has the matter under submission, and it is more than probable that the Louisville Legion will be ordered to get in readiness for the trip. The other companies who will probably be selected are those from Hopkinsville, Lexington, Newport and Frankfort.

### CIRCUIT COURT.

Mrs. Spaulding Gets the \$300 Diamond.

The Spaulding-Allard compromise has been consummated, and today, in pursuance to a motion of Allard's attorney, who had moved for a new trial, the \$300 diamond pin in controversy was ordered turned over to Major Moss for Mrs. Spaulding.

Marshal Dance and George Kenwick, for racing on the public highway, were fined \$10 and costs each. A demurrer to an indictment against the L. C., charged with maintaining a nuisance at Florence Station, was being tried at press time. Jim Hunt was fined \$15 and Ernest Matlock \$10 for racing on the public highway.

## DARING FREIGHT CAR THIEVES

Broke Into a Freight Car Last Night On a Rapidly Moving I. C. Train.

Threw Six Boxes of Merchandise Out and Two Had Been Carried Off When Officers Caught On.

Conductor R. L. Wheeler, of the Illinois Central, discovered a daring robbery twelve miles out of Louisville last night. He left on a West-bound manifest train No. 235 and his fireman soon after leaving Louisville, saw a man's head protruding from a car door.

At the next stop the conductor, who had borrowed the engineers' pistol, went to the car door and ordered the man to come out. He dodged quickly back and began laughing at Conductor Wheeler, but when the latter shoved the pistol into the door he consented to come out. When he hit the ground another man climbed from the top of the car, and both ran off in the darkness. The conductor fired five shots at them, emptying his pistol.

Special Agent Gorley, who was on his way to Louisville on an extra, noticed a car door open on Conductor Wheeler's train, and an investigation revealed the fact that six large boxes of merchandise had been cast out of the car somewhere along the road, which means along side of the track, and but four of the boxes were recovered. These were found where they had been dropped off by the thieves, by special agent Gorley, but the other two had been carried off, indicating that the thieves had confederates along the road waiting to come along and pick up the plunder when these in the cars threw it out.

The theft was one of the boldest ever perpetrated, the men having boarded the moving train, broken the seal, rolled out the boxes and escaped all within twelve miles.

### MAY LIVE.

The Deckhand Who Was Shot on the Fowler.

By the Second Mate Near Henderson.—Was Too Insolent.

At last accounts the colored deckhand who was shot on the Gus Fowler near Henderson, Sunday, by Second Mate January, was alive and likely to recover. His name is Bob Porter and he lives at Evansville.

From the statements of eye witnesses he was instructed to stretch a tarpaulin, and being about half drunk, refused and precipitated a difficulty.

He was shot in the left hand and left side, and put off at Henderson.

The Scott Hardware Company are in the lead again this year with beautiful as well as serviceable presents for Christmas. Stop and see the display.

### Quarterly Court in Session.

Quarterly court, Judge Tully presiding, has been at work to-day on garnishee cases. Nothing of further interest is being done at this time.

## COUNCIL AND SCHOOL BOARD.

Meetings of Both Last Night.—City Officers Appointed.—The New School Board In.

The State Not Broken.—Mr. C. M. Leake President of the School Board.—Matters of Interest of the Meetings.

### Called Meeting of the Council.

The council met last night in called session, all the members being present except Mr. Eades.

Mayor Lang stated that the purpose of the meeting was to give second passage to several ordinances.

The ordinance disposing with trustees for Oak Grove was given final passage.

The following ordinances were then read and placed on final passage:

An ordinance fixing the compensation of market master at \$600 per year, and investing him with police power; an ordinance fixing the compensation of chief of police at \$780 per year; an ordinance fixing the compensation of city treasurer at \$1 per year, (payable monthly) and defining his duties; an ordinance relating to the police department and appointment thereof.

Marshal Collins' quarterly report and Wharfmaster Fowler's monthly report were received and filed.

Mayor Lang signed the new ordinances, and then appointed the following, in accordance with the agreement he made with the council:

Robert Menifee, lockup keeper.

J. W. Cooksey, overseer of chain gang.

Frederick Ingram, market master.

P. D. Jarvis, license inspector.

Charles E. Richardson, city treasurer.

A petition of protest from fifty or more people who do business about the market house was presented asking for a reconsideration of the caucus nominee for market master, but the council merely received and filed it.

The matter of general insurance on city property was referred to the fire, light and water committees.

The bonds of the newly appointed city officers were ratified.

An ordinance amending that entitled street inspector was placed on its first passage.

A new city engineer was not elected, as there are several changes to be made in the ordinance.

### MEETING OF SCHOOL BOARD.

The Board of Education met last night in the school board chamber, and the retiring members of the old board were succeeded by the incoming members of the new.

Vice President Leake called the meeting to order, and after reading the minutes, Treasurer Terrell presented his report, showing a balance in the treasury of \$7,708.89. It was received and filed, and he was given a quorum.

Supt. McBroome's report showed the average daily attendance to be on the increase, and recommended the speedy appointment of at least two new teachers for the accommodation of the increasing number of pupils.

The old board adjourned sine die, and Secretary Rose called the new board to order. Capt. J. R. Smith was elected temporary chairman.

The incoming members were Messrs. J. M. Byrd, Andy Weil, J. Q. Taylor, J. T. Reddick, C. C. Rose and W. E. Allen.

City Clerk Patterson administered the oath.

The vote for president was ten for Mr. Leake and one for Capt. Smith, there being no other nominations.

Mr. C. C. Rose was chosen secretary by a unanimous vote, and Capt. J. R. Smith vice-president.

Dr. Reddick suggested, when the office of treasurer was to be filled, that the board of education follow the example of the council and elect some banker treasurer. He nominated Mr. J. C. Ulterback and secured a second, Messrs. Leake, Smith and Rose spoke against it, and Dr. Brooks in favor of Mr. Terrell was re-elected treasurer by a vote of 6 to 4.

Mr. Leake named but one committee. They were Capt. Smith, Dr. G. Brooks and Mr. C. C. Rose committee on finance.

Mr. J. Andy Bauer was unanimously elected to fill the vacancy in the first ward, occasioned by the resignation of President Lang when he was elected mayor.

The schools were ordered closed on Thursday afternoon, December 23d, to re-open on the morning of January 3d.

Paducah's board of education is now: J. Andy Bauer and J. M. Byrd, first ward; J. G. Brooks and

Andy Weil, second ward; R. G. Terrell and J. Q. Taylor, third ward; J. R. Smith and J. T. Reddick, fourth ward; C. C. Rose and C. M. Leake, fifth ward; W. E. Allen and U. S. Walston, sixth ward. The outgoing members are J. M. Lang, J. S. Jackson, W. A. Lawrence and T. J. Mattison.

## MAY NOT QUALIFY.

Mr. J. Andy Bauer Does Not Desire the Trusteeship to Which He Has Been Elected.

Did Not Solicit It and This Morning Thought He Would Not Accept the Honor.

Mr. J. Andy Bauer, who was last night elected a school trustee from the first ward to succeed Mr. Lang, who resigned to qualify as mayor, may not qualify.

Mr. Bauer's feelings were hurt by the facetious remarks made by the gentleman who nominated him at last night's meeting of the board. He is quoted as saying that Mr. Bauer would make a good trustee because he was anxious to serve, and cited as evidence that he desired to serve the fact that he had run for the office a time or two and been defeated.

Mr. Bauer, when seen by a reporter this morning, stated that he did not want the honor, and did not ask a single trustee to vote for him, but on the other hand when he heard his name mentioned for the place attempted to induce others to become candidates.

"Are you going to serve?" Mr. Bauer was asked as he started off.

"I don't think I shall," was his parting reply. Mr. Bauer's many friends, however, will endeavor to induce him to qualify.

### CHRISTMAS IN JAIL.

This is Where John Aker and Ed Marable Will Go.

Judge Sanders Predicts They Will be Hanged.—Other Police Court News.

John Pete Aker and Ed Marable are the names of two colored offenders who were presented in the police court this morning on a charge of creating a disturbance at Terrell's stable yesterday.

The evidence shows that the two men had been repeatedly warned to keep away from the stable, but Mr. Terrell found them there yesterday and ordered them out. Evker was drunk and refused to go, besides applying some very disagreeable epithets to the Megars. Terrell, Aker finally drew a knife on Mr. John Terrell and started toward him.

The latter picked up a pitch fork and struck at Aker, and at this juncture Marable, who had gone outside, arrived on the scene with a brick and advised Aker not to let any one hit him. He was prevented throwing the brick by Mr. Thad Terrell.

Last s.e., this is the 8th day of December, 1897, remarked Judge Sanders when the evidence was concluded. "Well, I predict that one or both of these men will be hung before another year is past. They seem to go around and try to pick trouble with the white people, and I know that Aker, at least, has been in jail. One hundred dollars and fifty days each," concluded the court as he began to write it down on the docket.

Hillas Strickland was charged with drawing a pistol on Harry Hodges, and Harry Hodges was charged with drawing a shotgun on Strickland. The alleged offenses were committed on the 16th of last July, and both defendants were colored. The evidence showed Hodges to have been in error, and he was fined \$20 and costs, while the case against Strickland was dismissed.

**Deafness Cannot Be Cured**

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by our method. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running nose or impaired hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Since cases of deafness are caused by catarrh, which is nothing but an inflamed condition of the mucous surface, we will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Little's Catarrh Cure, sent or circulated free.

**LOCATED AT LAST.**

H. T. Brown is at Camden, Ohio. —Officer Jones Went After Him.

He is Wanted Here for Alleged Fraudulently Obtaining Money From Hon. Chas. Reed. —Married a Paducah Girl.

The familiar face of H. T. Brown may soon be seen in Paducah again. If it does, it will be with prison bars intervening. Officer Jones left last evening for Camden, O., to escort Brown back to Paducah to answer to a charge of obtaining money by false pretenses from Hon. Charles Reed, of the Palmer House.

Brown came to Paducah in October, about the time the Metropolitan Opera Company was here, and claimed to be an advertising man and a representative of the Associated Press. He did nothing of any consequence except board at the Palmer House, and finally, one fine day, he went to Mr. Reed, presented a draft on Mr. Frank Havill, editor of the Mt. Carmel, Ill., Register, for \$75, and had Mr. Reed take out the amount of his board, something over \$10, and give him a check for the remainder.

He had Mr. Reed's check cashed, and the next thing that Mr. Reed heard was that Brown had eloped to Metropolis with Miss Emma Duvall, of Jefferson street, and been married. He left a lot of worthless luggage in his room at the hotel. Mr. Reed at once telegraphed to Mr. Havill, and received a reply that the draft was unauthorized. Meanwhile Brown and his bride continued on a perpetual bridal tour, and Mr. Reed began tracing him up. He swore out a warrant, a few days ago located his man in Camden, Ohio, where he was going under the name of Moss, and secured a requisition. He received a telegram yesterday from the marshal at Camden announcing that the requisition was there, and sent Officer Fayette Jones at once to Camden.

At 7:00 a. m. this afternoon a telegram was expected announcing Brown's arrest.

**Robbery at the Palmer House This Morning.**

**A Drummer Loses \$75 and Mr. Reed's Watch Was Stolen. But Was Left in the Parlor.**

A robbery that kept the police busy for quite a while this morning was perpetrated some time before daylight this morning at the Palmer House.

A sneak thief after 2:30 o'clock this morning entered the room occupied by Mr. C. S. Henry, a lace drummer from New York, and stole \$75 from his pocket. Mr. Henry had a \$290 check cashed last night, and had \$100, which the marauder failed to find, in another pocket. He reached the city on the 2:30 train this morning and was shown to his room by a bell boy.

The room occupied by Hon. Chas. Reed, proprietor of the hotel, was also entered, and a small amount of change and Mr. Reed's gold watch was stolen. The watch was found this morning by a chambermaid in the parlor. Both Mr. Reed's and Mr. Henry's doors had been left unlocked.

The supposition is that a bell boy committed the theft. Two boys were arrested on suspicion this morning, but afterward released by Marshall Collier.

**CURED OF BLOOD POISON AFTER FIFTY-THREE DOCTORS FAILED.**

Blood Balm Co., Atlanta, Ga. GENTLEMEN:—In 1872 a small pimple broke out on my leg. I began eating and in four months I was treated by a physician of Tallapoosa county, Ala., where I lived eighteen years. He relieved it for a short while. In six weeks it broke out again in both legs, also on my shoulder. The small bones were taken out. It continued until 1876. In this time I had twelve different physicians. They told me the only remedy was amputation; that it could never be cured. For six months I could not walk a step. I went to Mineral Wells, Texas, spent \$300.00 came home; went to Hot Springs, Ark., staid nine months—all failed to cure me. In 1887 I came back to Birmingham, Ala. I was advised to write you, which I did. You wrote me that B. B. B. would cure me, and I could get the medicine from Nabors & Morrow, Drugstore, of our city. I bought ten bottles and before I had finished my fifth bottle my legs began to heal, and in less than two months I was sound and well. That has been nearly two years ago, and a sign of its return yet. I have spent in cash over \$400.00, and B. B. B. does the work that all the rest failed to do. You have my permission to publish this. I have traveled so much trying to get well that my cure is well known. Fifty-two doctors have treated me in the last 17 years. All they did was to take my money.
